

# *A Prayer for My Parents*

O my God, I beg of Thee  
to bless my good parents..

I ask Thee to reward them for all  
they have done and suffered for  
me. Help them in their labors,  
console them in their sorrows.

Help me to be kind to them,  
to respect them, and always do  
their will. Bring both them and

me to Thy blessed home in  
heaven, that we may always be  
truly happy together with Thee.

Amen.
